FOR IMMEDIATE RELEASE

Direct Conveyors Celebrates the Retirement of Regional Sales Manager Bill Yeager

Direct Conveyors thanks Bill for his years of service, outlines simple next steps for customer support

FRANKLIN, Ind., January 13, 2026: Direct Conveyors announces the retirement of Bill Yeager, Regional Sales Manager, effective January 16, 2026. Bill has supported customers and partners with dedication and care, helping deliver reliable material handling and automation solutions across his region. The company expresses gratitude for Bill's service and confirms a smooth and seamless transition for customer support.

Customer support remains seamless. For project support, quotes, and technical questions, email Sales@DirectConveyors.com. This inbox is monitored by the Sales team to ensure fast routing to the right resource. Customers may also call 317.346.7777 and ask for Sales.

Find your local representative. Visit the Direct Conveyors website to find your local Sales Rep. To request an introduction, email Sales@DirectConveyors.com.

Leadership remarks

John van Kooten, President and Owner: "Bill has been a cornerstone of our customer relationships. His integrity, diligence, and care for our partners set a high standard. We are thankful for his impact and wish him a joyful retirement."

Tyler Wood, Vice President and Owner: "Bill's leadership and steady focus on solving customer challenges made a real difference. We appreciate his commitment to excellence and the example he set for our team."

A message from Bill Yeager:

"It has been a privilege to work with incredible customers and the talented team at Direct Conveyors. I am sincerely thankful for the relationships we have built. I also want to thank the Lord for the opportunity to serve others through this work."

What customers can expect next:

- Continuity of support with fast response times
- Direct access to Sales for quotes, applications, and engineering guidance
- A clear path to the local representative best aligned with each project
